The BRAC Career Transition Center will provide career counseling, job search assistance, and access to education and occupational training to civilian workforce transitioning from Walter Reed Army Medical Center.

Base Realignment and Closure (BRAC), implemented by the Department of Defense to reorganize its base structure, impacts six installments in the District: Walter Reed Army Medical Center, Naval District Washington, Potomac Annex, Anacostia Annex, Bolling Air Force Base, and Leased Space DC.

The BRAC Initiative/Project improves efficiency and effectiveness to support its forces, increase operational readiness, and facilitate new ways of doing business.
